1. Why are you interested in serving on the MMVI Board of Directors?

2. What does MMVI's Vision, Mission Statement and Goal mean to you, and how would you support it as a director?

3. Describe the lived experience, community knowledge, governance experience or professional skills you would bring to the Board.

4. Describe a time you worked in a team setting to make a difficult or collective decision. What did you contribute?

5. How would you distinguish the Board's governance role from the Executive Director's and staff's operational roles?

6. What relationships, perspectives or areas of representation would you bring to the Board?

7. Are there Board or committee areas where you could contribute most (for example finance, governance, policy, fundraising, advocacy, human resources or communications)? If yes, explain

8. What training or support would help you succeed as an MMVI director?

9. Can you attend meetings, prepare in advance and participate on at least one committee? Please describe any limitations or accommodation needs.

10. Is there anything that could create an actual, potential or perceived conflict of interest? If yes, please explain how it could be managed.
